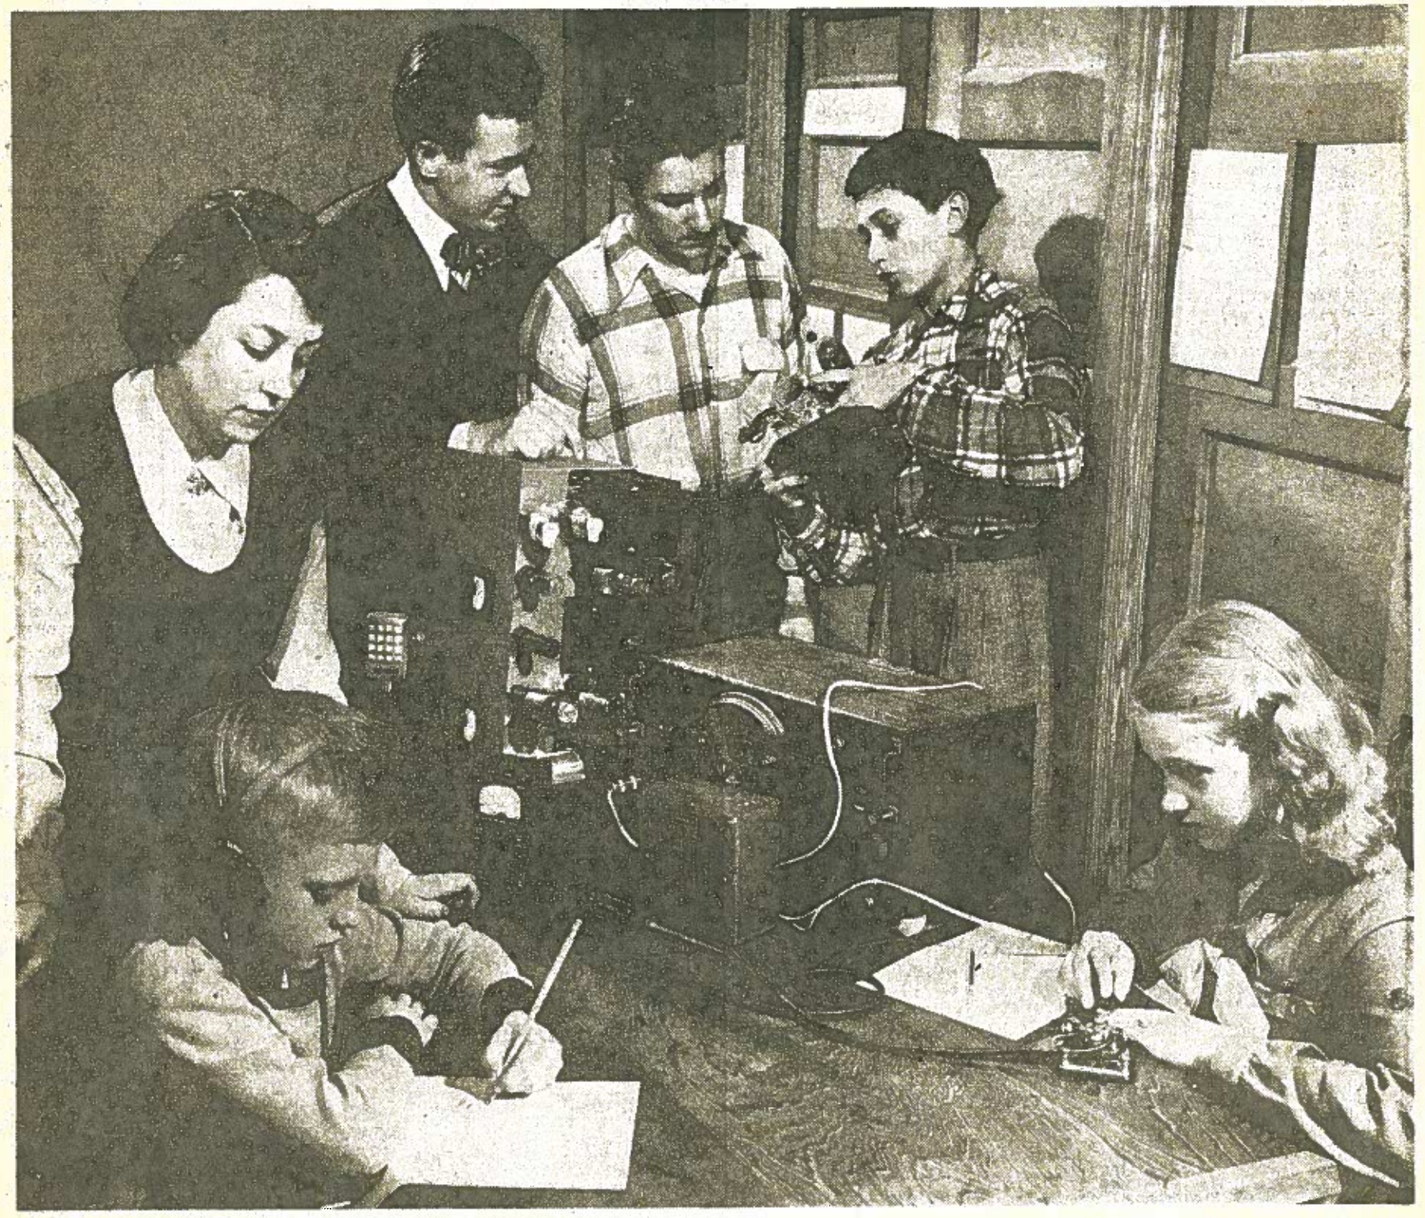
ics—Radio Hams Are Sprouting in Town of Granville



Because of their teacher's interest in radio, fourth to eighth graders of the Browning school, town of Granville, are getting absorbed in it. The teacher, Mrs. Lenore Zavodnik, 646 S. 93rd st., town of Wauwatosa, and her husband, Martin, are both radio ham operators. The school has two radio classes, one meets days, with about 25 children enrolled; an evening class, for children and adults, meets once a week. Shown are (from left) Kim Koterman, 5035 N. 73rd st., town of Granville; Mrs. Zavodnik, her husband, David Rinebarger, 1525 W. Highland av.; Walter Weinhold, 5935 N. 69th st., and Mary Milbauer, 4825 N. 70th st., both town of Granville. Code practice is going on in the foreground and Walter is showing a set he made. —*Journal Staff*
